

CLINICAL LEGAL EDUCATION

It has been found for many Years, it has not been found over The years, it is the best methodology For legal teaching and learning It is at last found, it is CLE-the concept that improved the quality of education.

It works for us in Ebonyi State Nigeria. By means of it, the law is imbibed not felt, law is studied not learnt. Its legal practice and procedures Are developed not known.

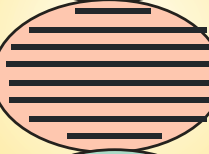

CLIENTS
We are now served better, We are interviewed, counselled Our interest paramount. The relationship is filial and cordial We enjoy the service now.

IT'S LITTLE SECRET
We know it through Brain storming, Debriefing, Role plays Assignment, Moot/mock trials, Street lawyering Prison justice and dispensation Advocacy

Has it improved the quality Of teaching and learning Yes in Nigeria, should it be Encouraged if we want the best is it productive yes if we Are honest should it be discouraged only a fool will.

STUDENTS!
It is best thing ever that Happen to us. We enjoy our studies We know our studies We know the skills We learn by doing We graduate as lawyers not learners. Our actions are informed We know the substance and the Adjective CLE is the best The traditional teaching Can now give way for A learning by doing Our world have advanced beyond Mere learning by listening.

TEACHERS!
How we do it Maintain eye contact and Take clients and students into our heart by our gestures, we allow him or them to participate, we conclude the result positive improved.

CLE! It works It's good It's best We learn faster and better It's satisfying

It is skill oriented It should be encouraged It has not failed us It is the best option

What we say! Improve on it, Advertise it Celebrate its importance And achievements Contrast it from other methods Popularize it

CLE!
Skill, Proficiency, Development, Expertise Prudence, Enforcing, Beneficial, productive

Come see the teaching method that changed the system and move the world
